

Birzeit University's Institute of Women's Studies' 1st annual conference

Palestinian women in thought and practice

This conference focuses on presenting and analyzing a number of studies and research papers issued by Palestinian institutions in Palestine on Palestinian women's issues. Thus, the conference aims to introduce these studies and research papers to be part of the discourse of the Palestinian feminist movement, and directed to policy makers in all their positions, seeking to link thought with practice at the level of visions and policies related to women.
